vd.					l	/l/						

Legend

Abbreviation:

Z = Zokam orthography
 I = IPA (International Phonetic Alphabet), or something very close thereto
 P.A. = Place of Articulation

M.A. = Manner of Articulation

vl. = voiceless
 vd. = voiced
 asp. = aspirated
 unas. = unaspirated

Alternative term:

Lateral = Lateral Approximant

Absent from this chart:

w /w/, in Tedim Zomi phonemics, is considered to be a component of a monophthong /ɔ/ (aw) rather than a separate consonant.
